¹The OVAC NIH request for FY2009 is based on the recommendation of the Ad Hoc Group for Medical Research

²The OVAC NCI request for FY 2009 is the amount needed to maintain the institute's current level of operations according to "The Nation's Investment in Cancer Research for FY 2009." That same document states that the increase that would be needed to initiate new and expand existing initiatives at NCI would require a budget of \$6.028 billion for FY 2009, an increase of \$1.223 billion or 25.5%.
