NOTE 1: The President's budget request level for NIH does not include funding for the National Institute for Environmental Health Sciences (NIEHS). Under the President's request, NIEHS would move to the newly proposed Administration for a Healthy America (AHA).

NOTE 2: The President's budget proposes moving ARPA-H to the Office of the Secretary, under the jurisdiction of the Assistant Secretary for a Healthy Future.

NOTE 3: Amount does not include the Wisewoman heart disease program, which is housed within the breast and cervical cancer program. Within the program's total, OVAC requests at least \$230 million for non-Wisewoman activities.
